New Opportunities on the Horizon...

We are working towards having after school all abilities programs and group activities for school aged children. These programs are proposed to run until 5pm Monday to Friday (school holidays and public holidays excluded), and would include, but are not limited to, various forms of art and craft therapy, Lego, colouring, playdoh and slime. We welcome input and suggestions of activities your children would enjoy attending. Please direct your expression of interest to Vanessa; vanessa@jessiemays.com.au and include 'All Abilities Programs' as the subject line, or call us on 5616 2888.

Groups at Harmony Place

There are lots of group activities coming up, with something for everyone. These sessions are designed to be therapeutic, supportive and numbers are limited to ensure this. Visit our website for details of upcoming groups and to book! Adults of all ages and abilities are welcome. NDIS Participants can attend these groups via their NDIS Plans, and we welcome anyone who is not currently accessing funding, we simply ask a \$20 cover charge per group to cover the expense of supplies and a facilitator. We hope to see you soon!
